Salutations,

It is with great pleasure that the Vancouver Area Network of Drug Users submit this letter of support for the Grunt Gallery, and Hans Winkler's project the Nova Library.

A project which will assemble a reading room designed by the tastes of the addict community, and to be housed in the Vancouver Public Library. VANDU has a keen interest where this project may lead to in the future. The Vancouver Area Networks believes that users or people being introduced to the active drug culture can benefit from this project, and the room will appeal to some residents, and patrons of the library.

Will it house resource materials?, self help?, fiction? No one knows, but there may be value to researchers in understanding what users are reading. We foresee benefits provided in this project that will benefit both users, and the community. We look forward to providing input on what books the Nova library will house, and eagerly await to take advantage the final product.

If you have questions feel free to contact Christopher Livingstone
livingstonechris@yahoo.com

Sincerely,

Rob Morgan, on behalf of VANDU board of directors

President Vancouver Area Network of Drug Users
