

CORPORATION OF THE CITY OF PORT COQUITLAM

PARKS & RECREATION COMMITTEE

A meeting of the Parks & Recreation Committee was held in the Council Chambers on Wednesday, November 20th, 1985 at 4:15 p.m.

In attendance were Alderman George Laking and Alderman Michael Wright.

Also in attendance was K. Janna Taylor, Parks & Recreation Director.

CONFIRMATION OF MINUTES

That the minutes of the meeting of the Parks & Recreation Committee held on Wednesday, November 13th, 1985, be taken as read and adopted.

Item No. 1 P.C.A.A.A. Civic Recognition

The attached letter was received from P.C.A.A.A. requesting various teams be considered for civic recognition. The one "team" that does not qualify is the PoCo Marlins. Swimming is an individual sport and we need to know how the individuals placed in their various events.

Recommendation:

1. That civic recognition awards be given to M & R Sports Den Belle Ringette Team, Sand Mountain Junior Belle Ringette Team and Shaughnessy Saints Lacrosse Team.
2. That a letter be written to the Poco Marlins Swim Club for clarification of how each individual placed.

CARRIED

Item No. 2 Big Brothers

The attached proposal was discussed by the Committee. It was strongly felt that this would cause major maintenance problems in our facilities. Furthermore the Committee did not want to set a precedent whereby we would get several requests for this kind of project.

NOV 20 1985

Recommendation:

That the request from the Big Brothers be turned down.

CARRIED

Item No. 3

Hockey School

The McMeeKans Hockey School is requesting that they be permitted to run again in August/September of 1986. The revenue produced during the 1985 hockey school for a 3 week period was \$10,723.90 (please see attached). The additional cost to install the ice earlier was \$6,000.00. This cost was due to additional electricity and gas requirements. Further clarification is required as to when the other groups wish to start their regular season. However, Committee is in favour of having the McMeekans Hockey School in 1986.

Recommendation:

That the McMeekans Hockey School be permitted to operate in August/September 1986.

CARRIED

ADJOURNMENT:

The meeting adjourned at 4:45 p.m.

Dear Ms. Taylor:

The Big Brothers movement in British Columbia is pleased to be the recipient of proceeds from vending machines displaying the logo of BIG BROTHERS OF BRITISH COLUMBIA located in various communities throughout the province.

We would be particularly appreciative of the opportunity of your permitting machines to be located in the various facilities under your responsibility; namely, the Wilson Centre, the PoCo Rec Centre, the Hyde Centre and the Port Coquitlam Arena.

Since 1913, Big Brothers agencies in Canada have provided caring-mature, adult friends to children from single parent families. It is estimated within the next few years that as many as 40% of Canada's youth will grow up in broken homes and experience the very difficult emotional problems which often result from the loss of a parent. With your help Big Brothers will continue to provide friendship in the lives of many youngsters as well as the maturity and stability often lacking at a critical time in their lives.

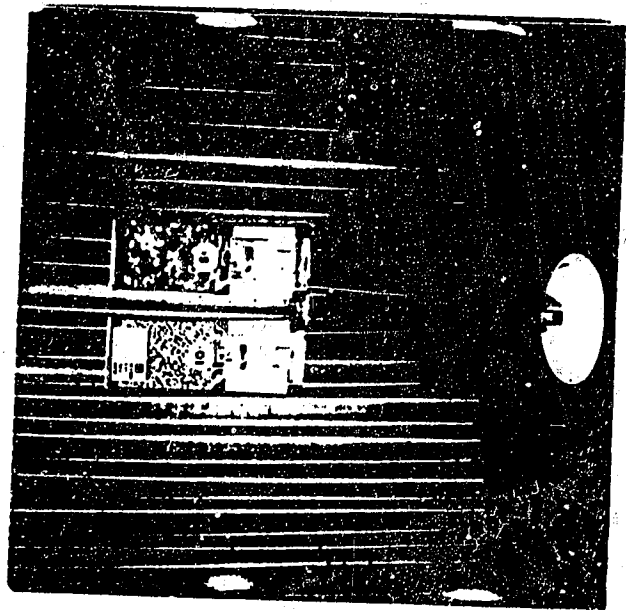

In B. C. our organization is responsible for maintaining the high standards that have come to be expected of our 35 agencies. Your assistance makes possible education forums and workshops ensuring that we strive continually towards these standards. Provincial staff is available for consultation on a daily basis and conducts agency evaluation from time to time.

We are grateful for the support that our program receives from so many people in our province and trust that you too would like to share our pride in programming. I most sincerely thank you, in advance, for the support that will be forthcoming.

Yours sincerely,

Donald A. Copan,
Executive Director.

Darlene. Greene.

Its that time of the year that I set my
schedule up for the 86 season & I would like
to book the following ice

From Aug 25 to Sat Sept 23rd

9 to 10.15, 10.30 to 11.15, 11.30 to 12.45

As you know last season the school did not near
fill up.

Although I feel these 3 time slots should fill this coming
season, I would like if possible the option of cancelling
a session at least 30 days prior to starting.

I also assume you will not book another hockey or
power skating school in the area to run as competition. Please
inform A.S.A.P. Many thanks Joe McMeekans
