Parks & Recreation Committee

A G E N D A

February 1st, 1984, 4:00 p.m.

Item No. 1 Fine Arts "43" Building Society

Betty Nickerson will be in attendance to discuss this group's needs for a building.

Item No. 2 Reeve Street

Janna Taylor will present the park plan for this area which has been adopted by Council in principle.

Item No. 3 Burke Mountain Trail Riders

As you can see from the attached letter the above group is planning a benefit dance for Debbie Booth to raise funds to send her to the 1984 Games for the handicapped, in New York. Normally, for fund raising functions, we charge \$30.50 per hour for the gym. This fund raising function is no different than P.C.A.A.A. raising funds to send a team to a championship - they would be charged \$30.50.

Recommendation

That the Burke Mountain Trail Riders be treated in a similar manner as any fund raising project and that the charge of \$30.50 per hour be charged as stated in our policy.

Item No. 4 Other Business

Re: Benefit for Debbie Booth
Canadian Representative in
Equestrian - New York 1984 Games for
the Handicapped

Dear Mrs. Taylor,

Burk Mtn. Trail Riders are planning the
above-noted benefit. As we have not much
time - funds are due in end of March
for Debbie's entry. Tentative date for benefit is March 2

We would greatly appreciate the use
of a facility for a reduced rate or
donated if possible. Credit for this will
be announced in the local papers. We
have tentatively booked the Hyde Ck Gym for
this event. I will contact you by phone
at this late date.

Sincerely,
C. Berling
Secretary BTRK
