

LMW NEWS

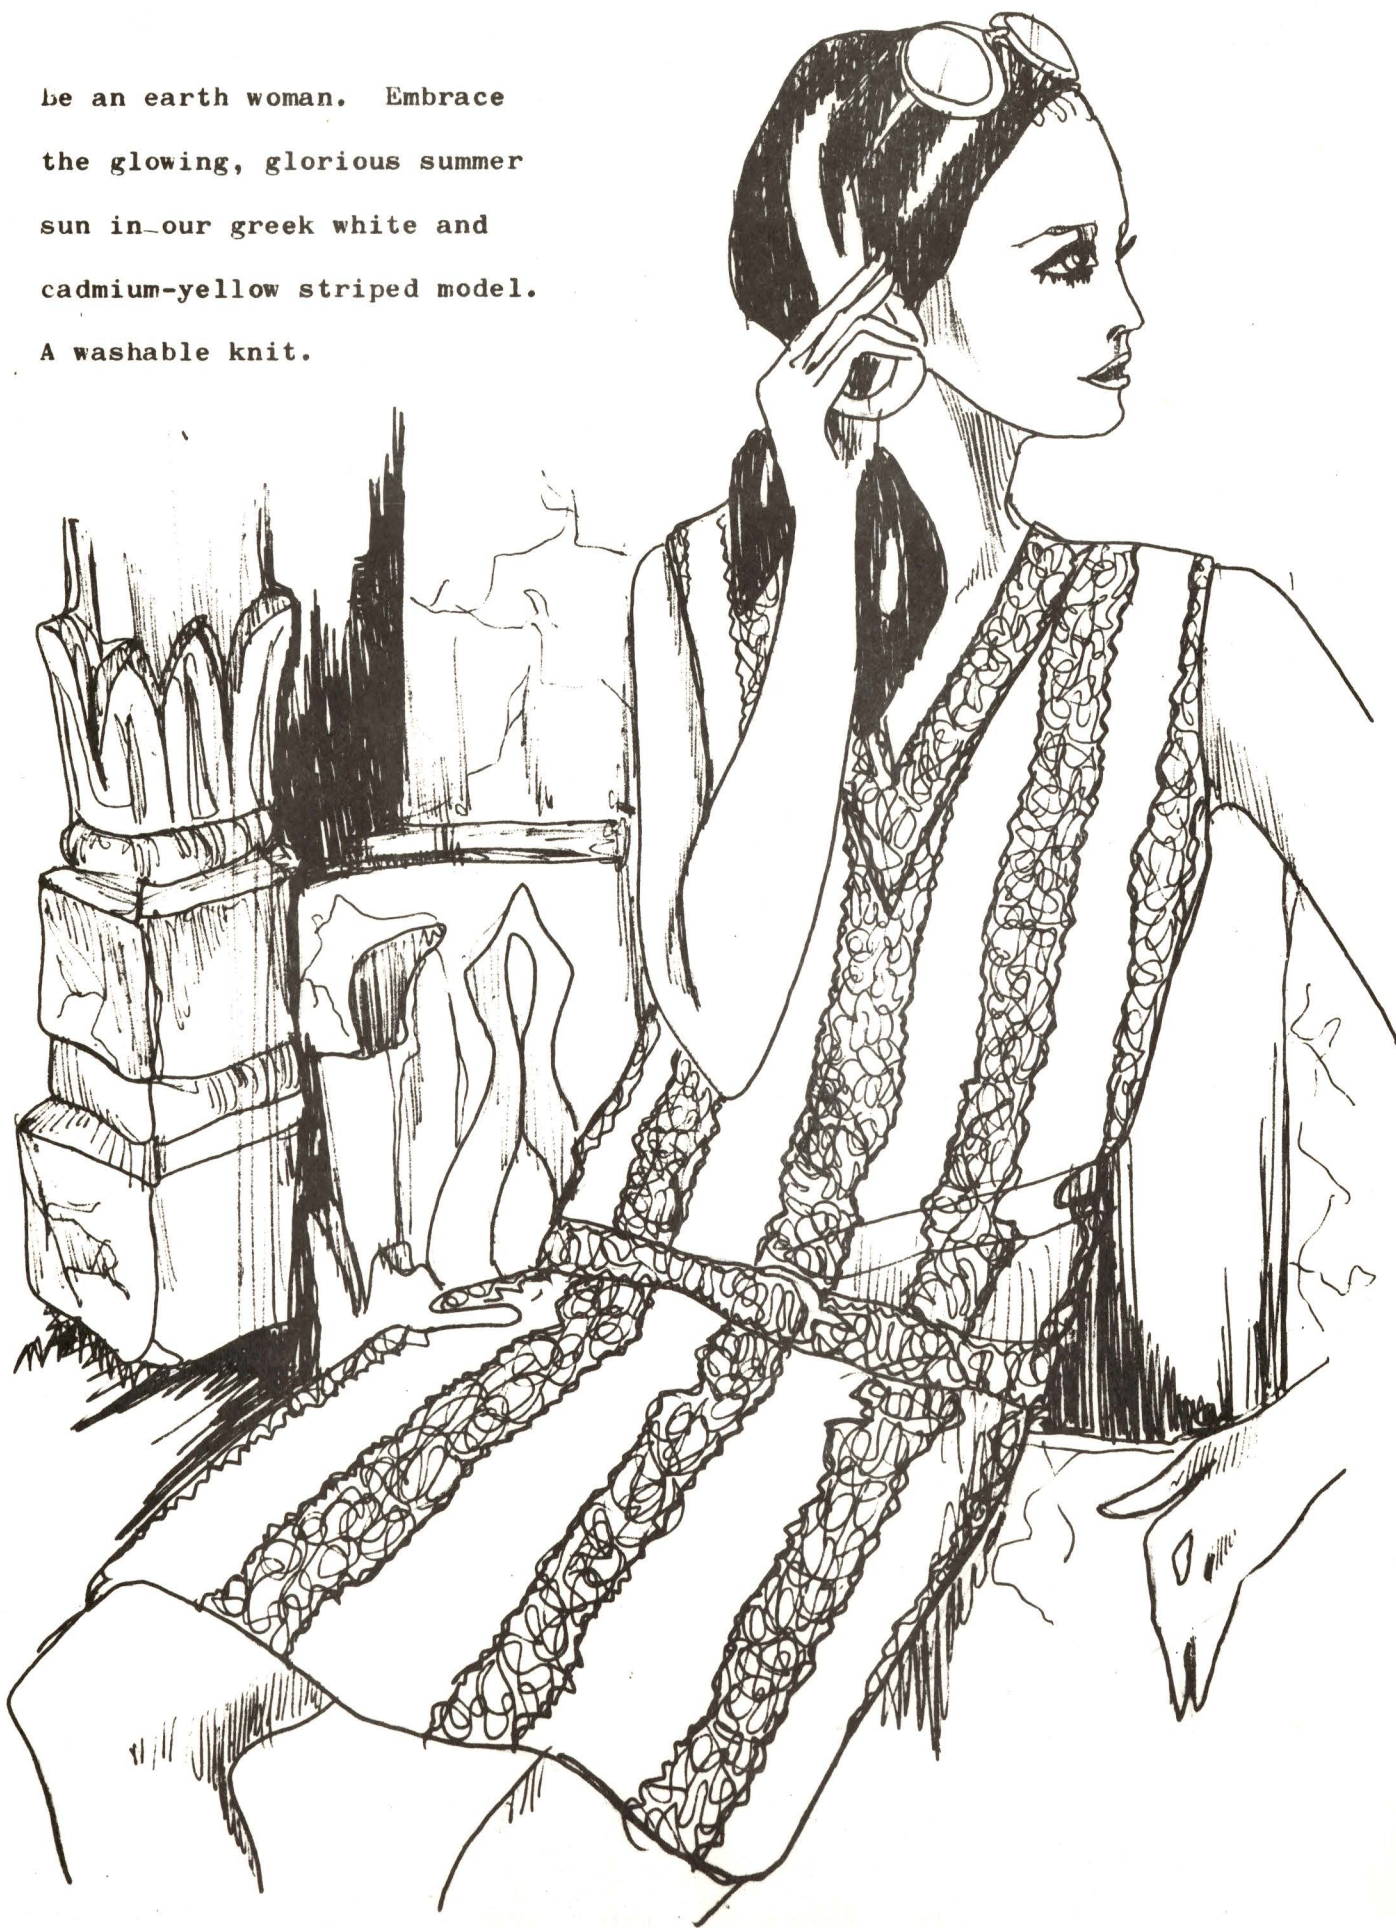

Vol.2 No.4

2033 West 41 Avenue, Van., B.C.

June.

SUN — SUNNY — SUNNILY

Be an earth woman. Embrace
the glowing, glorious summer
sun in our greek white and
cadmium-yellow striped model.
A washable knit.

LMW NEWS

STRIPELY

ELEGANT

Are you irritated,
offended or just plain bored
by the screaming prints that
storm and rage throughout the
summer months? We are. We
yearn for something understated,
something subtle, something
coolly delicious--something
like the black and white
striped cotton dresses sketched
on the left. They are a simple
remedy for the most virulent
cases of "print delirium."
