Dear Mr. Vance,

Well, commissions are old stuff in your family, with sons and daughter all having them, but I thought you might be glad to know that your letter helped me obtain one too. The acceptance of my application arrived today. Your fine letter of recommendation, generous in it's content and carrying with it the weight of your reputation, helped much in impressing the examining board with my qualifications, and I want you to know how very grateful I am to you for your help in extending to me this gesture of real friendship.

I trust you are well Mr. Vance, and would appreciate being remembered to the family.

Again, many thanks for your many kindnesses to me, and especially for your fine letter which I was able to use to excellent advantage.

Very Sincerely,

*Jim Ferris*
