~~Boole 3thub 4~~

cloth from 2 pass of stairway - rough spot

cloth from crack - lower leg hand corner of size (crack)

Dust from size door casing & inside of size -

Can - Recd from Capt Corrigan Jul 19. & went to Harveys House

Can - Recd from Capt Corrigan Jul 24 in Vancouver, saw

a similar one in shelf - on 19th

Nitroglycerine found in can would lead us to
believe that it was rendered from dynamite,
rendered with hot water & sack or cloth.

1 ounce of nitroglycerine in can. I have seen in
Vancouver -

34 - 5. Western Boole } Recd from Capt Corrigan Jul 24
24 7. Boole } both contain Nitroglycerine

Size blown 3 in exposure of some sort.
only Nitroglycerine used for size blowing.

Envelopes recd from Capt Corrigan Jul 21/34 4.20pm
cont Fabric & dust.
