## Australian Health Officer Visits City

Mr. William Oscar Vogwell, chief health inspector of Sidney, Australia, who is on a trip around the world investigating sanitary conditions and methods, is spending a few days in the city. He is the official delegate of the city of Sidney to the jubilee meeting of the Royal Sanitary Institute, of which he is a member.

Mr. Vogwell also represents the Sidney Town Planning Institute and will attend the international congress on town planning, which will be held in Geneva in August.
